CORRECTION

AR2015/ 117 Union of Christmas Island Workers – Annual Return of Information for 2015

On 30 March 2015 I submitted the annual return of information for the Union of Christmas Island Workers to the Fair Work Commission. Upon advice from the Commission I note two errors were made in that return. In the section heading **Committee members** is the number (4) whereas the correct number is (6); and the vacant committee member position was not listed. I have corrected those two errors as reflected in the statement of information below.

I certify the details below are a true account of the affairs of the union and a correct statement of information of the union for the reporting period.
