Common enquiries and identified issues

The identity of the top 5 ranked officers by relevant remuneration

- A list of **officers**, not employees
- Equally paid officers will count as one rank within the top 5 ranked officers
- Refer to s 6 definition of '**remuneration**' and s 293B (remuneration paid to a member of a board or by a related party)

Common enquiries and identified issues

Disclosure of payments to related parties and declared bodies
s 293G

- Each payment should be set out separately (not the total value of multiple payments made)
- Refer to s 6 and s 9B for definition of 'related party'
- Refer to s 293G for the meaning of 'a declared person or body'

Common enquiries and identified issues

Definition of 'related party': ss 6 and 9B

- More closely aligned to the concept of 'related party' under the Corporations Act
- Different to a 'related party' under the Australian Accounting Standards
- A related party transaction in your reporting unit's financial report **may not** be the same as your organisation/branch's ORP statement

Common enquiries and identified issues

Exemptions to disclose under s 293G

- Reimbursement for expenses incurred in the performance of duty
- Deduction from remuneration paid to officers or employees
- Arms length transactions
- Payments to a related party less than the prescribed amount (\$5000)
- Payments made to a related party in their capacity as a member, which do not unfairly discriminate
