The Registered Organisations Commission produces a number of tools to help registered organisations and their branches comply with the requirements of the Fair Work (Registered Organisations) Act 2009 (the RO Act). These tools include podcasts, fact sheets, guidance notes, webinars, checklists and templates. They are available by topic from the menus above.

To help you navigate the full range of tools available, we have produced the [ROC Flower](#) – a pictorial representation our current tools.

The ROC's [compliance calculator](#) is a tool designed to help you plan, review and manage compliance activities and meet legislative deadlines.

If you have feedback on these tools or suggestions on any resources that would be helpful, let the ROC know by calling 1300 341 665 or emailing regorgs@roc.gov.au
