# Compliance updates

## Links

### [Compliance trends](#)

As part of our approach to optimise voluntary compliance and promote good governance in registered organisations, the Registered Organisations Commission (the ROC) publishes information about emerging themes and issues.

These updates are about, for example, recent Court decisions, issues brought to the attention of the ROC, or trends in compliance outcomes.

## January 2020

[Below-value disposal of vehicles – an emerging issue \(PDF 148.2KB\)](#) 9 January 2020

## August 2020

[Whistleblower disclosures and industrial elections \(PDF 507.7KB\)](#) 31 August 2020

In addition to our compliance updates, further education [tools and resources](#) are also available online.
