

Compliance snapshot 2022

The Registered Organisations Commission (**ROC**) helps registered organisations comply with the requirements of the *Fair Work (Registered Organisations) Act 2009* (the **RO Act**). We monitor their performance to inform our priorities, services and other activities.

Below is a snapshot of compliance in the 2021–22 financial year. Registered organisations can use this data to understand their achievements and priorities and discover how they compare with other organisations during the 12-month period. You may also find a new resource to help you with your compliance obligations.

There are currently
95
registered organisations.

54 are employer organisations.
40 are employee organisations.
One is an enterprise association.

There are currently
280
reporting units.

There are **388** entities, which includes branches, divisions and national offices.

(Data in this section as at 30 September 2022).

2,078,047
members represented
(as at 31 December, 2021).

1,523
documents were lodged with the ROC.

2,382 courtesy letters and alerts were sent to registered organisations.

Courtesy and filing letters provide important information and tools to help you comply.

100%
of annual returns were lodged with the ROC on time.

14

requests for assistance under the ROC to You tailored assistance program.

172 election decisions were issued.

On average we processed elections **3.7 days** faster this financial year!

13.7
days

On average, this is how long we took to issue an election decision.

70% of financial reports were assessed as compliant for financial years ending in 2021.

32% of non-compliant financial reports did not meet the requirements of AASB 15. We have developed a [fact sheet](#) on AASB 15 to help organisations comply.

314,574 visits to the [ROC website](#).
