Your advanced review

Your ORP statement had an **advanced review** which is a comprehensive review that evaluates compliance with the requirements of the Fair Work (Registered Organisations) Act 2009.

Your ORP statement has been uploaded to the ROC website.

You do not need to do anything further this year. The following comments are made to assist you when you prepare next year's ORP statement.

Nil Statements

Please ensure that next year's ORP statement contains NIL statements instead of blanks against listed officers' non-cash benefits if this is the case.

It is the view of the ROC that NIL statements provide greater clarity and transparency for members. Such statements reassure the organisation's members and the ROC that the organisation or branch has turned its attention to officers' relevant remuneration, their non-cash benefits and payments to related parties.

Hint: Your reminder letter had examples of how to do a NIL statement, you can also refer to our [ORP statement template](#) which contains help about NIL statements.

The ROC's risk-based approach

Over a five year period the ORP statement of every organisation and branch will be subject to at least one advanced review. An advanced review is a comprehensive review. The ROC's [advanced review checklist](#) is published on our website.

This year your ORP statement was assessed against an advanced review.

Do you have questions?

Important information and education materials will be available to you in time for next year's ORP statement. We recommend you [subscribe to the ROC's subscription service!](#)
