Dear Scott Phillips

The Local Government NSW's annual return of information (Annual Return) lodged under subsection 233(1) of the RO Act

Thank you for providing your declarations and information (Annual Return) lodged under subsection 233(1) of the Fair Work (Registered Organisations) Act 2009 (the RO Act).

Summary of your Annual Return and Review Outcome

Year 2021
Matter number AR2021/79
Lodgement date 4 March 2021
Review Primary Review
Result FILED

Your primary review

Your Annual Return had a **primary review** which checked whether it was signed by an officer, lodged on time, the required declarations were made, included the list of offices and office holders and whether you met the requirements that the ROC raised with you last year. A primary review does not examine all the requirements of subsection 233(1).

Your Annual Return satisfied the requirements of the primary review and has been uploaded to the ROC website.

The ROC's risk-based approach

This year your Annual Return was assessed against a primary review. A primary review does not check all legislative requirements.

Over a five year period the Annual Return of every organisation will be subject to at least one advanced review. An advanced review is a more comprehensive review.

The ROC's [advanced review checklists](#) are published on our website.
